Children's Day At - Froebel Kindergarten

Children's day, which is always one
of the most enjoyable occasions of
the Pannie A. Smith Froebel Kinder-
garten, was held this morning in the
school building on Lafayette street.
The exercises began at 10 o'clock
and a program in which the children
were the principal participants, was
delightfully given. The tiny mem-
bers of the school, went through
their games, recited their pieces and
sang their songs with an enthusiasm
and naturalness which spoke highly
of the efficiency of their instructor.
The school room in which the exer-
cises were held, was charmingly
decorated for the occasion with var-
ious varieties of flowers. A large
assemblage of parents and other rela-
tives of the small people were pres-
ent at the exercises. Refreshments
were served and the affair was
concluded the affair. The normal
class of the school will hold their
commencement exercises to-
morrow morning at 11 o'clock.

NO INSTRUCTION IN SIX WEEKS, PUPILS MUST TAKE EXAMS

Sixth Grade Students at
Center School, Stratford,
Have No Teacher.

(Special to The Farmer.)
Stratford, June 9.—After having
been a month and a half without a
teacher, pupils of the sixth grade,
Center school have been notified that
they will have to take final examina-
tions next Tuesday. How they are
going to do it is puzzling their par-
ents and is causing them to renew
the indignation that broke out re-
cently against the school system.
Since Mrs. Jennie Burlock died, al-
most two months ago, these pupils
have had nothing to do but get what
they could out of their books with-
out instruction or guidance. As a
result, they are at least six weeks
behind and are unprepared for final
tests for graduation. They have been
notified however, to prepare them-
selves for examination.
The excuse given, when the lack of
a teacher was called to the attention
of the board, is that no teacher would
accept a six weeks' engagement to
take charge of a room.
The case of Mrs. Aggie Staffee,
which was to have been heard last
night, was continued until this even-
ing in order that an important wit-
ness might be subpoenaed. Mrs.
Staffee is before the town court
charged with assault.
Star of Rebecca lodge will pre-
sent "Hunker's Corner," a playlet,
June 22, for the benefit of the fire
department.
The parochial society of Christ
church will hold a rummage sale
June 17, at the town hall. Members
of the parish will notify Mrs. Gun-
ther if they have any material to be
called for.

CHICAGO TROLLEY EMPLOYEES READY TO ORDER STRIKE

Chicago, June 9.—Sanction of union
officials has been secured by 14,-
000 employees of Chicago street car
lines to strike, if necessary for their
demands for a wage increase, it was
reported to-day. The men expect to
determine by to-night whether a
strike or arbitration will be decided
upon.

Milwaukee Clergyman Comes to St. John's To Be Assistant Rector

The Rev. Charles Walter Findlay, of
the clergy staff of Saint Paul's Epis-
copal church, Milwaukee, has been
called to be the assistant to the Rev.
Stephen J. Sherman, Jr., rector of
Saint John's church. Mr. Findlay
has accepted the call. He will take
up his duties September first. He
succeeds the Rev. Frank H. Elgelow,
who recently accepted a call to
Christ church, Lime Rock, Connecti-
cut.

Mr. Findlay is a graduate of Har-
vard university and of the Cambridge
Divinity School. He also studied for
a time at the Union Theological Sem-
inary, New York city, and while
there had the advantage of working
in some of the large New York
parishes. He comes highly recom-
mended as a man of promise in the
ministry and as one who has a thor-
ough knowledge of modern Sunday
school methods and work among
young people.

Mr. Findlay was married last year
to Miss Helen Holden Plumb, of
Bridgeport, at Saint George's Epis-
copal church. Both Mr. and Mrs. Find-
lay have a host of friends among the
young people of the city, who will be
glad to learn of their approaching
return east.
The Sunday school of Saint John's
church will hold an old-fashioned
basket picnic and outing next Satur-
day at Beardsley park. Special cars
will leave the church at nine-thirty
o'clock. A car ride into the suburbs
of Bridgeport will be taken before
going to the park. There will be
games and contests with prizes for
the young people. A committee of
ladies will serve both luncheon and
supper under the trees. Parents and
friends are cordially invited to attend.
If the weather is inclement the picnic
will be held Saturday, June 19th.

HOSTS TO G. A. R.

The members of the G. A. R. will
be entertained Flag Day, as is the
custom, by the Bridgeport Elks. A
supper will be served at the Elks
Home on State street and automobiles
will be furnished to take the veterans
to their homes after the entertain-
ment.

CAMBRIDGE HAS BIG ROLL ON BATTLEFIELD.

280 wounded. Nearly a hundred have
received honorable mention in official
dispatches.

BRIDGEPORTER BACK FROM SCENE OF F-4 DISASTER SAYS IT WAS DUE TO INTERIOR EXPLOSION

Sergeant Walter E. Waite
Has Enviably Record in
Service of Uncle Sam—
Was Among First to En-
list in Spanish-American
War.

Seventeen years in the United States
military service, five of which in the
Philippines have counted double, is
the record of Sergeant-Major Waite,
a Bridgeport boy who has
just returned from Honolulu on leave
of absence.

Sergeant-Major Waite, who was
present at the sinking of the U. S.
submarine F-4 and witnessed the great
diving feat performed by a govern-
ment diver in descending nearly 300
feet with nothing but a helmet on his
person, will be remembered by his
many friends in this city as one of the
first to volunteer for service in Bridge-
port during the Spanish-American
war. He is a member of N. W. Bishop
camp, Spanish War veterans, and was
in time to march with that body at the
last Memorial day services.

Speaking of the loss of the F-4, Ser-
geant-Major Waite said: "The delay
in bringing this boat to the surface was
due to the gas compression within. It
is now almost positive that a gas ex-
plosion caused the deaths and de-
struction of the vessel. Government
divers have been inside of the hull by
this time. It has slowly been re-
moved from one depth to another un-
til the vessel now lies in but 50 feet of
water. The bodies of those on board
are literally blown to pieces by the
explosion of the gas accumulated within.
Though the government probably
knows by this time just what trans-
pired, as the log of the vessel would
have showed that it is unlikely that
coast defense policies will permit of
full publication of the facts."

In his travels about this country and
over the Pacific Waite has been pro-
moted in position until he now holds
the highest post permitted by a non-
commissioned officer. He has seen
service in Texas, California, the Phi-
lippines and Hawaiian islands, now be-
ing located with the last U. S. Infantry
at Schofield Barracks, Honolulu, where
5,000 troops are stationed.

Waite enlisted in Bridgeport during
1898, attaching himself to Battery B,
1st Conn. volunteers. He was sta-
tioned at Niantic, thence going to Fort
Greivold. He later re-enlisted in the
6th Artillery, being sent to the Phi-
lippines. There he met among other
soldiers, the Bridgeport James Ham-
sey, then attached to the 14th Infan-
try. Waite was one of those detailed
to guard Aguinaldo. During his first
three years of service in the Philip-
pines he was advanced to the rank of
sergeant. In 1902 he enlisted in the
11th Infantry, going to Mindanao and
other points around Manila. He was
in the "Bolo" insurrection.

After a return to the United States
following five years and seven months
in the island possessions he enlisted
in the recruiting service, being sta-
tioned in Oklahoma and Texas, in
charge of a military station with seven
sub-stations. In 1910 he again re-
turned to the Philippines but on May
9, 1912, he again enlisted in the regu-
lar service, being detailed to Honolulu.
He is now visiting a sister, Mrs. F. C.
Miller, residing in Nichols.

Soft Spot In Road Caused Accident To Occur, Says Driver

Patrick J. Murphy of this city was
before Secretary of State Charles D.
Burnes yesterday for a hearing as re-
sult of the accident in which a motor
truck he was driving turned over
and crushed to death a man riding
with him. Murphy said the foot brake
would not work on a truck he was op-
erating May 28, and he applied the
emergency brakes and in zigzagging
down hill in Danbury, the truck struck
a soft spot in the road, throwing out
and crushing William O'Hara. The
case was taken under advisement.

BRYAN RESIGNATION FELT IN WALL STREET

New York, June 9.—Wall street's
view regarding the latest turn of
events at Washington was reflected
in a number of severe declines at the
opening of the stock market today.
Losses ran from 1 to 5 points, war
specialties showing marked weakness.
For the most part, however, dealings
while active, were not of an excited
character.

United States Steel was the only
prominent stock to record large in-
itial sales, opening with an offering
of 7,500 shares at 57 to 57 3/4, a
maximum loss of 1 3/4, half of which
was speedily recovered. Elsewhere
there were rallies of a half to a
point.

SOCIAL AND PERSONAL

Judge and Mrs. Morris B. Beardsley
and Miss Amelia Beardsley of 230 Park
place are to leave on Monday for a
visit to the Panama Exposition, stop-
ping en route at Yellowstone Park and
Colorado Springs. Judge Beardsley,
who has been appointed delegate to
the Sons of the American Revolution
congress to be held in Portland, will
attend this convention.

Mr. and Mrs. B. M. Wentz and their
daughters, the Misses Mary, Annie,
Helen and Cora, of Hanover, Pa., have
arrived at their cottage, "The Whoo,"
at Silver beach for the summer. This
will add another to the several sea-
sons which the Pennsylvanian family
have already enjoyed at the local
beach. During their former visits here
they have made many friends who
will be glad to see them back again.

The tea and visiting day of the Day
Nursery held yesterday afternoon was
a decidedly successful occasion, social-
ly and financially. The sum of \$69.50
was realized, \$30 of this donation com-
ing from a man in Fall River, Mass.,
who had won the money in a foot ball
pool and who desired it to be spent
for some worthy charity. The friend
to whom it was sent in this city is
much interested in the Day Nursery
and so it has come to this most worthy
charitable institution.

Mrs. E. W. Downs, chairman of the
Day Nursery committee, presided at
the table during the afternoon. There
were children in the building and
while the tea was being held, show-
ing how extensive is the work
accomplished by the organization.

able July 20.

FAIRFIELD WARDEN WIPES OUT POUND WITH TRUSTY GUN

Inhabitants of Detention
Camp Lose Lives When
One Dog Goes Mad.

(Special to The Farmer.)
Fairfield, June 9.—Dog Warden
LeRoy P. Beach wiped out the in-
habitants of the Fairfield pound at
one full sweep yesterday when one
dog went mad and bit the others.
Fairfield's ever ready warden shot all
the animals.

Residents of Mill Plain, Southport
and the neighborhood of Bulkeley's
pond are in fear as a result of the
journeys of a mad dog yesterday. The
animal, registered as the property of
Albert Carpinski, became crazed and
ran through these districts on a ram-
page. Three animals are known to
have been bitten and it is not known
how many others may have been in-
noculated with the fatal hydropho-
bia germ. The head of the mad
dog, which was shot, has been sent
to Middletown, to determine whether
or not the dog had a case of rabies,
as is believed very likely.

The Fairfield Hook & Ladder Co.,
No. 1, will hold its annual carnival
from July 31 to the first Saturday in
August. At the department meet-
ing last night, John Barr was ap-
pointed chairman to make arrange-
ments and George Anderson was
elected secretary. John E. Boyle
was placed in charge of the parade
arrangements.

JUNE WEDDINGS

MACKENZIE—HOPKINS

One of the largest of the June wed-
dings is to be held at 6:30 this even-
ing in the People's Presbyterian
church, when Miss Marion Hopkins,
daughter of Mr. and Mrs. Samuel
Henry Hopkins of 24 Fremont street,
and Mr. William Nelson Mackenzie,
son of Mr. and Mrs. Roderick J. Mac-
Kenzie of 76 Grove street, will be
united in marriage.

Roses of beautiful shades of red,
together with Easter lilies and palms,
will form the decorations of the
church. The pastor, Rev. Henry A.
Davenport, will perform the ceremony,
using the full Episcopal service.

Among the guests will be many fel-
low classmates of Mr. Mackenzie, who
was graduated from Sheffield Scientific
school in 1914 and was a member of
the Book and Bond fraternity.
Several hundred invitations have
been issued to the ceremony, but the
reception which will follow at the
home of the bride's parents will be
limited to the immediate relatives of
the couple and the members of the
bridal party.

The maid of honor will be Miss
Helene Libby, while the four brides-
maids will include the Misses Ethel
Logan, Mabel Havens, Maude Beers
of Middletown, and Eula Toucey.

The best man to be Clyde Yeats,
and the ushers, Roderick Cleveland,
cousin of the groom, Raymond Vall,
Bruce Chambers and Charles Ayres.

The bride's costume will be of lus-
trous white satin with a train of tulle
several yards in length. The gown and
veil, which is also of tulle, will be or-
namented with rose point lace and
lilies of the valley. The train will be
caught to the shoulders with two large
pear medallions. White roses with a
cascade of lilies of the valley will form
the bridal bouquet.

The gowns of the attendants will
shade from the deepest tint of rose to
a soft pink. They are to be similar in
design, fashioned of soft taffeta and
shadow lace, and trimmed with roses
of the same shade as the material.

The maid of honor's gown will have
chiffon instead of the lace ornamenta-
tion. The attendants will wear hair
bandeaux of tulle, and will carry roses.
An orchestra will render soft music
during the service. While the guests
are being seated a program of appropri-
ate selections will be played.

Following the reception, the young
couple will leave on their honeymoon.
The destination of which is being kept
a secret. The bride will travel in a
costume of dark blue faille silk with a
hat of blue straw with a white kid
crown, and white kid flowers.

Mr. Mackenzie has purchased a cot-
tage at 174 Norman street, so when
he and his bride will return from their
wedding trip. Both young people are
exceedingly popular and have received
an unusual number of beautiful wed-
ding gifts from their numerous friends.

RICHARDS—DAVIS

Announcement has been made of
the wedding on Friday of Miss Maude
E. Davis, daughter of Mr. and Mrs.
George B. Davis, of 89 Catherine
street, and Mr. Henry T. Richardson
of Mr. and Mrs. John Richards of 271
State street. The couple are well and
popularly known in this city and have
the well wishes of a host of friends.
The ceremony, which was strictly pri-
vate, was performed by the Rev. A. C.
Thompson, pastor of the Immanuel
Baptist church, at the parsonage on
Myrtle avenue.

BESSIE WAKEFIELD'S CHILDREN TAKEN IN CHARGE BY COUNTY

Waterbury, June 9.—George W.
Wakefield, 9, and Cora Belle Wake-
field, 7, children of Bessie Wakefield,
who is serving a sentence in state
prison for the murder of her husband,
for which crime Henry Plew paid the
penalty with his life, were committed
to the county home today. Since
the crime the children had been liv-
ing with their grandparents, Mr. and
Mrs. Frank Webster, of Middlebury,
but the 174 Norman street society in-
vestigated and asked that the children be sent
to some home. A letter from Bessie
Wakefield was introduced at the hear-
ing, written from prison, saying she
had no objection if the children were
sent to a home.

Judge Elm's decision was given to-
day after he had personally investi-
gated the children's surroundings.

PERSONAL MENTION.

Harold Selteneich of 103 Orchard
street, who is a stenographer in the
office of the Superintendent of Mails
at the local post office, began his va-
cation of 10 days this afternoon. Mr.

ton, D. C., and a number of other
points of interest before returning to
his desk.
